EXPERIENCE

Gusto – Remote

April 2026 - Present

Account Executive

- Help businesses find small group health and life insurance solutions in all 50 states.
- Manage full sales cycle for health benefit plans and advise on compliance requirements.
- Monitor book of business through Salesforce for 4,000 accounts at a time and maintain an up-to-date pipeline.
- FY2026 President's Club winner

Gusto – Remote

May 2025 - April 2026

Inbound Sales Representative

- Owned the complete sales cycle from initial discovery to closing, qualified and converted leads into customers, and found tailored solutions.
- Closed 138 accounts in Q2, surpassing quota by 137% and contributing over \$20,000 in new MRR, ranking among the top 5 representatives.
- Leveraged Salesforce CRM to track deal progression and managed pipeline.
- Guided new customers through onboarding after closing and conducted personalized platform demos to ensure long-term satisfaction.

aloeVR – Remote

December 2024 - May 2025

Sales Development Representative

- Built a qualified sales pipeline from scratch through extensive research for schools in a zero-lead environment.
- Prospected and generated leads into pipeline, identifying over 400 schools in Nevada and over 470 in Los Angeles.
- Monitored trends in educational technology and emotional wellness initiatives to tailor outreach for school districts, building rapport.
- Operated Pipedrive CRM to streamline lead tracking, automate follow-ups, and monitor conversion rates across each stage of the funnel.
